

SHOTO DOJO
TRADITIONAL SHOTOKAN JAPANESE KARATE

Hanshi Vincent Cruz Memorial

13th 'Annual' Shoto Dojo Spring Seminar on Saturday, May 22 & 23, 2021 by

Hanshi Justin Butler

Over fifty years of Martial Arts experience.

8th Dan (8th degree Black Belt) in Karate;

3rd Dan Hakkoryu Jujitsu; Aikido.

Menkyo Kaiden in SanTen Karate from Hanshi Cruz, January 2015.

Promoted to Hanshi by Hanshi Cruz (posthumously), January 2016.

Soke of SanTen Jujutsu, integrator of Shotokan Karate with Jujutsu.

Don't miss this opportunity to train with a Shotokan Karate and Hakkoryu Jujutsu expert, who has spent years merging the two. This is Jujutsu standing on our hind legs, not ground-and-pound - it is Jujutsu already in your Shotokan (and other style) Karate.

Think of it as looking at Karate from a somewhat different angle. Many people are mixing Karate and Jujutsu in their Martial Arts studies; this seminar works on techniques of Jujutsu **already in** our Karate. Many of those strange moves in Kata are **standard moves** in Jujutsu, which are extremely effective once we execute them as Jujutsu intends. Come explore this new world, one that you **already know** well, with an expert 'tour guide'.
